La Plata Students and Families,

I hope everyone had a good week. Although it looks like our transportation issue have been resolved please continue to monitor the information from the school system regarding transportation. Our Synergy Zoom links will continue to be used until the school system feels the transportation issues are resolved.

The 1st quarter grades will be posted in StudentVue and ParentVue on Tuesday, November 16th. If students or parents have concerns regarding a student's grade or performance in a class please contact your school counselor to set up a conference.

Thank you to the parents that attended our PTO meeting on Tuesday. We will be sending out future dates next week for meetings taking place the remainder of the school year. If there is a topic you are interested in that is not listed please let us know.

Attendance and being prepared for each class is very important. Parents please remind students to make sure their laptops are fully charged and updated regularly. In addition please take a look at your student's attendance in ParentVue and contact the teacher, grade level administrator or school counselor if you have any questions.

The La Plata Support Team which consists of administrators, school counselors, our PPW, and the school nurse is available for students and families. This team helps with COVID questions and assists students to stay up on their studies. Mrs. Birmingham, our PPW is the point of contact for the school team. Information can be found on our website under the COVID-19 Procedures tab at the top of the page and then under the link for LPHS Continuity of Learning for Quarantined or Isolated Students.

A reminder that there is no school for students both on November 11th and 12th. Please take time to look at the information presented in this newsletter. If you need additional information or support for anything you do not see in the newsletter please reach out to your grade level administrator or school counselor. We appreciate your support. Have a good weekend.

Sincerely,
Douglass Dolan
